

# **GIRLS**

## **HALEY MILLER**

An auburn haired sweetheart, Haley Miller is the smart, friendly, funny girl next door. She's also very pretty, though she seldom realizes it, and is too modest to admit this, even to herself. Who wouldn't want to be Haley? Especially when this girl next door lives next to Reese Highland, the hottest boy on the planet.

## **COCO DECLERQ**

Coco is the ruling queen bee of the popular girls at Hillsdale. Whatever Coco wants, she gets, from her fantasy Sweet 16 party, to her flashy new wheels, to her pick of the cutest boys at Hillsdale High. Dark haired with icy blue eyes, Coco is less pretty than she is power hungry, but her presence does have a commanding effect. Not many girls have what it takes to be a Coco-in-training, and thank goodness for that.

## **WHITNEY KLEIN**

A bit bubbleheaded, Whitney is a classic blonde who thinks full moons happen only once a year and leprechauns live in her basement. She makes Paris Hilton look like a Cambridge scholar. Whitney is the most materialistic girl at Hillsdale---with the exception of maybe Coco DeClerq. She's obsessed with clothes, social status, and gossip. Deeply insecure, she is desperately seeking attention from pretty much anyone who will give it to her.

## **SASHA LEWIS**

A blond bombshell with a golden personality, Sasha Lewis is maybe the most envied girl in town. She doesn't buy into the superficial nonsense that consumes her two best friends since birth, Whitney and Coco. She prefers playing sports, making music and having a good time. She's the obvious candidate for Best All Around---that is when she's not indulging her hard-partying wild streak. No wonder she so easily captured the heart of Hillsdale's resident heartbreaker, bad boy Johnny Lane.

## **CECILY WATSON**

Tall, beautiful, cocoa-skinned Cecily is exactly what every cheerleader should be: peppy, energetic and downright loveable. No wonder Sasha has all but thrown over her childhood friends to spend more time with Cecily.

## **MIA DELGADO**

A Spanish stunner, Mia models for a living and winds up in Hillsdale after following her longtime boyfriend Sebastian Bodega into town. Once she arrives, the dark haired beauty causes quite a stir, dating older men, breaking up relationships, and putting every girl at Hillsdale High on edge.

## **IRENE CHEN**

Irene is the introverted, artsy, alterna-girl at school. She's not afraid to dye her hair pink, wear outrageous clothes, or to be seen hanging in the parking lot with skaters and stragglers. Without her saying a word, the entire school hears her message loud and clear,

“Irene Chen is no follower.” But someday others will undoubtedly follow her. She’s just several light years ahead of the curve.

#### ANNIE ARMSTRONG

Annie Armstrong is a current events junkie. She actually looks forward to Poli-Sci class, is on the debate team, and knows far more about international affairs than anyone else her age. Annie represents the innocent side of Hillsdale High, where sobriety, good grade point averages, and virginity reign, and even the movie rentals are tame.

## **BOYS**

#### REESE HIGHLAND

Reese is the total package: captain of the soccer team, AP smart, parent polite, and extremely good looking. He is a pleasure to talk to and a vision to watch, kicking goals, running track, or playing basketball. He’s Hillsdale High’s reigning Greek god and every girl in town’s dream boyfriend. That is, until he falls head over heels for his next door neighbor Haley Miller.

#### SPENCER ETON

Pretension is his name. Suspension is his game. Spencer Eton is a preppy hotshot with an attitude problem, a rich and well-connected family and serious rebellion issues. You want to hate this guy, but unfortunately, you can’t. His charm, twinkling eyes and flashy smile go a very long way toward winning over the ladies. But does he have it in him to tame the ultimate shrew, Coco DeClerq?

#### JOHNNY LANE

Raised in the Floods, on the wrong side of the tracks, Johnny Lane is a tall, dark and handsome mystery man. His loner personality, grunge fashion sense and rock n’ roll image give him local idol status, whether he realizes it or not.

#### DREW NAPOLITANO

The ultimate jock. There isn’t a sport that Drew doesn’t play and excel at. Naturally, he’s dating captain of the cheerleading squad Cecily Watson. However, once upon a time, he had a big thing for Whitney.

#### MATT GRAHAM

One of Spencer’s old private school chums. He’s notorious for bringing trouble with him, wherever he goes.

#### SEBASTIAN BODEGA

A dark and swarthy swimmer from Spain who has a body that won’t quit and an accent that makes even grown women swoon.

### SHAUN WILKOMMEN

A chubby, backward-talking, artistically-talented character, Shaun Wilkommen is one funny, wild and crazy guy. If you are wacky enough to catch his drift, you just might be a little out there yourself.

### DEVON MCKNIGHT

A cute, shaggy-haired photographer who works at the local thrift store, Devon hangs with outsiders, where he's most comfortable. Even though he and Haley have little in common, she can't help but feel drawn to this brooding lensman.

### DAVE METZGER

When trying to be polite, people describe Dave by saying, "He has curly hair and glasses." When being completely honest, they say, "He's a dork." People want to like Dave, but Dave is squirrely. All the time. He just can't relax, especially around people of the opposite sex, with the exception of his soulmate-in-studies, Annie Armstrong.

### ALEX MARTIN

Alex is a year older than the rest of the gang, and it shows. He's cute, conservative and already a gifted politician. A parent's dream, Alex just might be Haley's perfect match. If only they could see eye to eye on their political views.
